

The Madonna O'Hair Prize

Your Pathway to High-Income Success and Math Mastery

You have been selected by YOUR ORGANIZATION to receive a wonderful lifetime opportunity: **The Madonna O'Hair Prize**. This prize empowers you to earn a **Lifetime Membership** in the **Triad Math Army**, (a \$999 program). It is designed to give you a massive competitive edge in your education, future career, and life. It could be worth a Million Dollars to You over your lifetime, as it was for Dr. Craig Hane.

How It Works

To secure your permanent, lifetime membership, you must complete a simple challenge:

- **The Goal:** Complete **Tiers 1 and 2** of the math program.
- **The Timeline:** You have **3 months** from your enrollment date to finish.
- **The Reward:** Upon completion, your **Lifetime Membership** is locked in—unlocking a tool of tremendous value for the rest of your life.

What is the Triad Math Army?

Created by Dr. Craig Hane, the Triad Math Army prepares teenagers for real-world, high-income success. True success requires **Skilled Success**: combining technical proficiency (**21st Century Math**) with strategic decision-making (**Wisdom Tools**).

Learn all about it at: <https://craighane.com/tma/> and read Dr. Hane's book *The Triad Math Army*. In it you will learn how Miss Madonna O'Hair saved his academic career's life. And, The Triad Math Army Tools have been worth Millions of Dollars to Craig.

The 21st Century Math Methodology and Wisdom Tools

- **Fast & Efficient:** Master "Practical Math" (Algebra, Geometry, and Trigonometry) in just 3 to 4 months by studying 5 hours per week.
- **Tool-Based:** Learn using a TI30Xa scientific calculator to skip the boring manual calculations and Wolfram Alpha for STEM, and focus on real understanding.
- **Career Ready:** Build the exact skills needed for high-income technical careers or military entrance exams, or University Exams, and/or STEM subjects.
- **College Scalable:** Move into "Scientific Math" (including Calculus and Differential Equations) using Wolfram Alpha and Dr. Del video tutorials from AWS, notes, exercises, and quizzes.
- **The Wisdom Tools Library:** Gain access to specialized strategies and resources designed to help you make wise, impactful life decisions.
