MONTH 2

Start sharing

Invite friends and family to join. Send your testimonial and a quick report on how it's going.

MONTH 3

Decide

Love it? Keep going. Not for you? Walk away owing nothing.

MONTHS 4-15

Stay on

\$27/month for 12 months, or \$297 paid once. That's 15 months of TMA in all.

1/3

Let your membership pay for itself

As a TMA affiliate you earn **one-third of everything** the people you refer pay. Three referrals paying \$27/month earn you \$27/month, which covers your own payment.
